## Card Member Offers and Information

### IMPORTANT INFORMATION

#### Financial Relief Program

You have been enrolled into a Financial Relief Program that will reduce your monthly payments for 12 months. You will not be able to spend on all of your American Express Card(s) while enrolled. You can refer to your enrolment letter for full details. You are now in month 12 of this 12 month program. We will apply an interest rate of 7.50% p.a. (the "Program Interest Rate") to all the balances on your account. If you wish to exit the Financial Relief Program, refer to the letter or call us at the number on the back of your card.

#### Manage your account online

Online Services provides you with the convenience of 24 hour access to your account details and online statements. Visit [americanexpress.com.au/online](https://americanexpress.com.au/online) to find out more and register.

MINIMUM REPAYMENT WARNING If you make only the Minimum Payment each month, you will pay more interest and it will take you longer to pay off your balance. For example:

|                                                                             |                                                                          |                                                                         |
|-----------------------------------------------------------------------------|--------------------------------------------------------------------------|-------------------------------------------------------------------------|
| If you make no additional charges using this card and each month you pay... | You will pay off the Closing Balance shown on this statement in about... | And you will end up paying an estimated total of interest charges of... |
| Only the minimum payment                                                    | 44 year(s), 10 month(s)                                                  | \$47,349.44                                                             |
| \$611.46(*)                                                                 | 2 years                                                                  | \$1,086.97<br>a saving of \$46,262.47                                   |

Having trouble making repayments? If you are having difficulty making credit card repayments, please contact us on 1300 661 001. We may be able to assist you.

(\*) The estimated monthly payment to pay off your balance in 2 years assumes all balances are subject to the highest rate on your account.

If you have exceeded your credit limit and/or your account is overdue, these amounts are included in the month's minimum repayment only.

To learn more about the minimum repayment warning visit, [americanexpress.com.au/cardsmart](https://americanexpress.com.au/cardsmart)

MINIMUM REPAYMENT WARNING If you make only the Minimum Payment each month, you will pay more interest and it will take you longer to pay off your balance. For example:

|                                                                             |                                                                          |                                                                         |
|-----------------------------------------------------------------------------|--------------------------------------------------------------------------|-------------------------------------------------------------------------|
| If you make no additional charges using this card and each month you pay... | You will pay off the Closing Balance shown on this statement in about... | And you will end up paying an estimated total of interest charges of... |
| Only the minimum payment                                                    | 11 year(s), 2 month(s)                                                   | \$0.00                                                                  |

Having trouble making repayments? If you are having difficulty making credit card repayments, please contact us on 1300 661 001. We may be able to assist you.

(\*) The estimated monthly payment to pay off your balance in 2 years assumes all balances are subject to the highest rate on your account.

If you have exceeded your credit limit and/or your account is overdue, these amounts are included in the month's minimum repayment only.
